UHL COLLECTOR'S SOCIETY

Published bi-monthly for members of the U.C.S.
at P.O. Box 116, Orland, Indiana 46776

APRIL 1987

Spring has arrived in Indiana! The purple, yellow and white of the crocus, daffodil and hyacinth are in profusion. The strawberry patch in my garden is filled with hearty-looking green leaves that have popped through the straw covering. Soon we will be meeting together at the Jasper Holiday Inn for our annual time together as a body of UHL collectors. Have you made your arrangements for the week-end of June 20? In case you need to make motel reservations, the Holiday Inn number is 812-482-5555. Be sure to tell them you're with our group and they will give you a discount. The prices quoted us are \$43. for outside rooms and \$45. for poolside.

The agenda of the day will be:

Set-Up 8:00

Closed Meeting 9:30-11:30

Open Show and Sale 1:00-5:00

Please return the enclosed reservations form to me by May 31. That will help so much in our last minute plans and make the day of the gathering so much easier for me!

We've only added one piece of UHL to our collection this month and a couple last month. Right now we're hoping to buy two Christmas jugs if we can meet on a price with the lady wanting to sell them.

That's about it for this month. We'll hope to see you at the meeting in June and receive your reservation forms in the next few weeks.

Happy hunting,

Sue

from Ruth Kern. Ruth says instead of UHL this winter, she has collected a man. On May 23 she will become Mrs. J. Don Patane and will be moving to Fort Wayne, Indiana from Decatur. Our best wishes to you and your husband, Ruth, as you embark on this new journey in life!

from Tuckers some photos of their collection. These photos show about 60 pieces of blue and white as well as over 70 miniatures in almost all the colors.

from Dick Uhl, new member in Coldwater, some xerox copies from one of the catalogs and a credit memorandum from the pottery company in red print on white stock.

from phone conversation with Jim Cummings today. Someone has reprinted one of the old UHL catalogs. Reportedly, it is identical to the older one (unfortunate) and can be purchased for \$7.50.

Also, Jim has returned to Schroeder's the listing for the next antiques catalog they will be publishing. Our space will contain more items this year.

1987 Uhl Society Commemorative

The question can finally be answered; the piece that was chosen by the committee for our meeting this year is a replica of the miniature mug. It will be blue with a cobalt blue stamp on the bottom to date and identify it.

Cost is \$15.00 if you pick up at the meeting or \$20.00 if you wish to have it mailed after the June 20 meeting. Prepayment is encouraged in order to avoid a time bottleneck on the 20th.

The underwriting of this venture has come from Jim and Lucille Cummings personal funds due to the inability of the society to handle it the first year. The mold alone cost \$350.00. Special thanks to the Cummings for this undertaking.
