

APRIL 1989

Dear Fellow Uhl Collectors;

It is with mixed emotions that I write this, my last edition of this publication. I sincerely thank each of you who have donated your information to make this a more rounded newsletter than I could have done without you.

Nominated to fill the position of editor is Don Johnson. Don and his wife, Connie, are both professional writers in the antique field and would do an excellent job as well as having printing equipment at their disposal to whatever degree they would choose. Also, they live in the area where UHL is "happening". Other nominations are welcomed at the annual meeting for this and the other offices/positions in the society.

This society started out June 1, 1985. The initial cost to join was \$1.50 to cover the cost of mailing. Charter members prior to the first meeting (October of that year) were John and myself, Charlie & Pat Birkemeier, Wanda & Felix York, Jim & Lucille Cummings, Jane & Roger Etter. Also, Bert & Roger Shelton, Greg & Brenda Shine, Don & Linda Summers, Bill & Donna Lindeman, and Pete & Ruth Moll; Dale & Leah Blann. Twelve people became members at that first meeting and it has grown to a total of 300 persons who have belonged to our organization. Most are current. The annual meeting turn-outs have been very pleasing; the only problem being finding a meeting place large enough to accomodate us. This year we should be very comfortable at the Days Inn.

I hope to see you in June at the convention. My plane reservations are made.

Happy hunting,

Sue
Sue Uhl,
Sec.-Treas.

Thanks for your involvement in the Society.

UCS LOGO

The Uhl Collector's Society is sincerely grateful to the directors of the new Uhl Pottery Company for granting the Society their permission to use a modified version of the Acorn Ware Logo as our own symbol (see Constitution). It is our hope that this logo will become closely identified with the Society as we begin to use it for noncommercial purposes within our Society.
