

UHL  
COLLECTORS  
SOCIETY

AUGUST/SEPTEMBER 1992

HELLO FELLOW UHL COLLECTORS;

My name is Tim Hodges and I with the help of my wife Pam will be writing the UHL Collector's Society bi-monthly newsletter. We have two children, Tiffany age 6 and Amanda age 3. We have been UHL collectors since 1984, but I purchased my first piece of UHL in 1980 it was a 10 gal double handle jug from a farm auction. We have been members of the collectors society since 1987. We have served on the members only auction committee during the convention for the past 3 years.

It is our intent to give you the best newsletter that we can. So PLEASE send or call us with any information that we could share with the other club members. Send photo's which we could possibly use in the newsletter, non-returnable of course. All names that you wish to be confidential will be.

We are looking for auction prices, shop prices, unusual pieces, storys of your finds, storys about you and your collections. If at all possible detail the piece by a number, size, color, and condition.

Let us know of pieces you are looking for or things you have for sale. This is your newsletter and as a member of the UHL Society your sale and want ads are FREE.

THANK YOU FOR YOUR SUPPORT!

THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!

Many thanks need to go out to Sue Maynard, for a job well done for the past 7 years. She has been the Secretary-Treasurer and Newsletter Editor for the UHL Collector's Society since the club was started in June 1 1985. She has elected to resign from these positions as of June 27 1992, in order to ease her work load.

Sue and her husband Al are going to build a new home soon, which will be a retirement retreat in a beautiful forest setting. Sue is planning to write a book on the UHL Collector's Society.

As a small token of our thanks, the club purchased a 1941 CHRISTMAS JUG and sent it to Sue, for the super job she has done in being the backbone of our GREAT CLUB since its begining.

THANK YOU SUE

### SHOP NEWS

PAM'S ANTIQUES & COLLECTIBLES opened for business on June 1. I would like you to meet Pam & Bill McKinney the owners of the mostly UHL shop. As you can see in the photos they have a very nice selection of UHL. They started collecting UHL about 8 years ago and have accumulated a large number of pieces. As of July 10 Bill has retired with intentions of spending more time looking for UHL. I believe it to be worth your time to pay Pam & Bill a visit to see the nearly 200 pieces of blue, pink, and rare items that are for sale. They are located 6 Mi. South of Bloomfield IN. on Hiway 231. Dear Friends,

July 7, 1992

Tears stream down my face as I look at your signatures & notes on the thank you card I received today. Over these years you have become a part of my life. I'll cherish the card along with my fond memories.

Also, thanks so much for the gift of the 1941 Christmas jug. That was a surprise! Perhaps my not being able to attend the convention this year wasn't all bad!

Out of a desire to put my feelings and memories on paper, I am writing my personal memories of U.C.S. I hope to be finished this fall and will make copies available to you before offerings on the market. The book will be small but will contain bits and pieces of U.C.S history from the pre-natel to now.

Very Sincerely,  
Sue Maynard
