

UHL
COLLECTORS
SOCIETY

DECEMBER/JANUARY 1992/1993

HAPPY HOLIDAYS EVERYONE:

We hope everyone has had a thankful and a very happy Thanksgiving holiday. With the Christmas season upon us the joy of giving is in everyones mind. Some may wish it to pass quickly, while others would love for it to last longer. But I know that the UHL hunt is on for that special piece to make that special person happy on Christmas. To all of you who are hunting good luck and for all of you receiving you should feel very thankful.

The past two months we have received some very nice and thoughtful letters in the mail. These are greatly appreciated and we would like to take this time to thank each of you. We would love to see more of these letters and some of your own storys which we could put in print for others to read.

Another issue that has just come up is that we are at the time of year that the club needs your \$10.00 for 1993 membership. This \$10.00 entitles members to 6 newsletters (bi-monthly) and a very fulfilled and informative June convention. This year you will need to meet the March 15th deadline to continue your membership. If payment is not met by this date your membership will become inactive and you will not receive the April/May newsletter. The membership forms are enclosed in this mailing. Your promptness would be greatfully appreciated by Tom and myself in order to keep our paper work up to date, and ease the work load because we are becoming a large organization.

As of this mailing we have a membership of 305 and seem to be growing almost daily. After the article that Tom Uebelhor put in Antique Week he has received many requests for information about our society. We feel after the first of the year our organization is really going to blossom with many new members. Maybe it was a good decision to move the June convention to the Holiday Inn in Jasper for the added space we will need.

Enough about business for now let me take you to some of the auctions that have happened in the past few months. I know that we don't have the only UHL auctions here in the southern tip of Indiana. So come on and send in some pictures and prices that are happening out in the other 23 states that we have members in.
