Plans have been well underway in many of our households in preparation for the June get-together. If you still have not finalized your plans, please do so now. It is only a matter of days until Friday, June 26.

The commemoratives have been received and are packaged; meal reservations have been cared for and the babysitter knows who has requested her services.

Regretfully, Al & I will not be able to attend this year so I have asked various people to help out in my area. Boxes and envelopes are being shipped to committee members ahead of time so no one has to work too hard to be able to enjoy their weekend in Jasper.

The Auction Committee is stepping down after their duties this year. If you have questions regarding the duties or just want to say you are interested, please contact Tim Hodges or any other officers. Tim will assist any way he can.

The April newsletter was already at the printers when word came from our realtor that escrow was closing early. The next morning I called the printers to stop the newsletter until we found a place to move and until I had an address for you to mail your postcards to. So, here in much plainer view, is our temporary address until the final move to Oregon for the retirement home Al will build next summer.

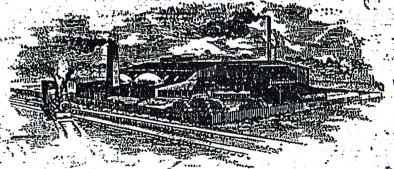

Al & Sue Maynard 2003-B W. La Veta Avenue Orange, CA 92668 Tel: (714)634-1720

Well, this is it -- the last newsletter from my house. There are not words to express how much being involved in the society has meant to me. I really enjoy communicating on the written page and hope to be able to contribute to future newsletters.

Meeting you via the U.S. Mail and in person has been wonderful. Thanks for your contributions to the newsletters.

Happy_UHL-ing!!!!

Sue Maynard
