AUGUST/SEPTEMBER 1995

Hello Members

Our 1995 Convention, celebrating the first ten years of the club's existence, has come and gone, and we already have initiated plans for next year. Mark your 1996 calendars for June 21 and 22.

A lot of growth and progress has occurred in our club in the past two years, and we owe a great deal of this to our retiring board members, Dale and Leah Blann, and Glen and Connie Hackman. We will miss their dedication and hard work for our club.

Your new board will begin our quarterly meetings early this fall, and we welcome new members elected this past Convention. We invite your comments and suggestions to further improve the club. Elsewhere in this issue you will find the names, addresses and telephone numbers of all current board members. Let us hear from you.

I personally look forward to leading and working with the board for the next two years, and will keep all members informed thru our bi-monthly newsletters.

MAY THE UHL FIND U,

DON SCHWARTZ, PRESIDENT

The 1995 Convention has come and gone. A great time was had by most, with only a few minor problems that were easily worked out. For those of you that were unable to attend I hope the rest of the newsletter will fill you in.

The commemorative distribution started on Friday afternoon with many members in attendance. The blue and white churns are just wonderful, most people have told the

board members. A great deal of concern was riding on these churns because of the trouble the pottery had in producing them. Some of the stamps may not be very legible but they are still a nice shelf piece when the stamp is turned around. I was very pleased to be drawn for almost one of the very last extras, even if I can't read the stamp it sure looks good in my cabinet with our other Uhl. A total of 871 were produced this year.

The Holiday Inn conducted a very orderly dinner buffet for the 675 members that attended the Friday evening meal. I know the last table that was served probably may not think so, but all were served in about an hour with no mass confusion.

The members only auction started around 8:00 pm and lasted until 10:40 pm. Bidding was fierce at times, with some very nice items selling. Later in this letter you will find prices and some pictures from the auction.

Room to room socializing went on until the wee hours of Saturday morning. One room was very educational with some senior members showing us young learners about HAIRLINES, CRACKS, AND RING JUGS. Only those present may understand all that was discussed that morning.

8:00 am Saturday morning the show and sale opened. The room filled very quickly with the mass flow of eager buyers. Many sellers said they had some very nice sales and enjoyed meeting some new faces. Also commemoratives were distributed again in a very orderly manner.

At 10:00 am the business meeting was held. This year a vice-president and a seat on the board of directors was to be voted on by the club. For vice-president we had two nominees, Roger Johnson from Pekin IL, and Joseph F Erbacher from St Anthony IN. By a show of hands Mr Erbacher was voted as vice-president for the next two years. For the seat on the board of directors only one nominee, which was Carson and Joann Smith from Knightstown IN. By the show of hands they were elected for a three year term. Congratulations to both and look forward to working with you in the future.

Dale and Leah Blann, Glenn and Connie Hackman were presented with a special commemorative, with their names and the position held, by the new president Don Schwartz. This is just a small token from the club for all of their dedication for making the club a great success for the past few years.

Also I forgot to mention that during the Friday evening meal special commemoratives were distributed to the original founding members. These are those members, CHARLIE & PAT BIRKEMEIER, ROGER & ROBERTA SHELTON, RUTH MOLL, SUE MAYNARD, LOWELL & BETTY GORE, DON & ANNA MARY FELDMEYER, BILL & DONNA LINDEMAN, DON & LINDA SUMMERS, NELDA MENDEL, DALE & LEAH BLANN, DARWIN & NANCY TUCKER, LUCILLE CUMMINGS, and GREG & BRENDA SHINE. These are members that are still active with the club.

TO: CLUB MEMBERS

FROM: TOM & DONNA UEBELHOR

Just a reminder that as of June 1996, our term as secretary/treasurer position will be open. Please take a little time to consider this position in helping the club stay alive. It is now time for us to devote our time to our boys (5&7). As you all know, between school, homework, sports and all the activities that come along with children our time is becoming very limited. We will remain active club members, but not as secretary/treasurer. If anyone, has questions about the position, please call us at 812-482-9575 or drop us a letter. We will be happy to explain what the position is all about and the exciting and fun times you would have by being active in the club.

If someone has ordered a roster book and has not received their book, please contact Tom & Donna Uebelhor at 812-482-9575.

If anyone would like to purchase a membership roster, there are still some available at a cost of \$2.00. Please send a check made payable to the Uhl Collectors Society for \$2.00
