and all the associated details will be in your
next issues of the Newsletter.*

Celebrating 31 Years of Collecting! Uhl Collectors Society

May • June • July 2017

From The President's Desk

It is time for us to prepare our last UHL Newsletter prior to our June UHL Convention. We are in the process of making our final plans and assuring that we have all of our bases covered. This will be the second year that we will convene our UHL Convention at the Huntingburg, IN Event Center. We again will have tables, (13 or more), set up for our vendors to sell their pottery. All vendors are to have at least 70% of their items to be UHL products. This is a decision that UHL Members have elected by their chose in the vote on the Membership form. This is to assure that we keep UHL the primary objective in our vendor sales.

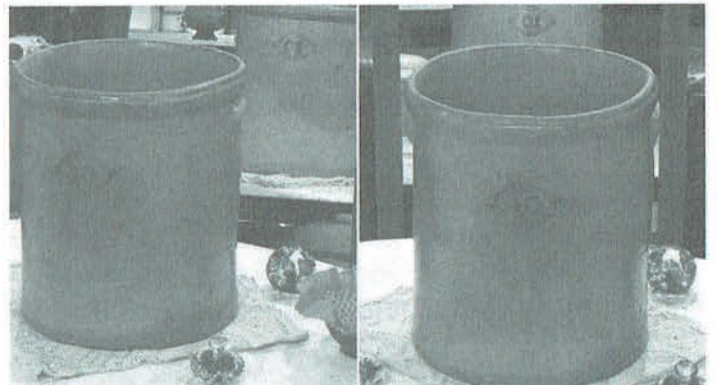

In accordance with the By-Laws of our UHL Collectors Society the President serves two years and then is replaced by the Vice President, thus this will be mylast update as President. We will be installing our Vice President at the Saturday Board Meeting at the Convention. It has been an honor to serve the UHL Collectors Society and thank you for providing and excellent group of Board Members to work with. It has also been a privilege to meet and get acquainted with a number of our UHL Members and have had the opportunity of visiting some of them and getting to see some of their UHL Collections. At the Saturday Board Meeting we will be electing a new Vice President, Press Secretary and Board Member. We encourage all to attend so that you can have a voice in the decisions to be made. There will be a topic that all Members should be there to hear and

discuss that will impact all. I also would like to state that we are having a very Special Happy UHLING item to be given away at this Saturday Meeting as well as other nice UHL giveaways. We also will be honoring a Special UHL Member at out Friday night meeting and I would encourage all to attend.

We strongly recommend that all Members that are planning on staying over after the Friday night Auction to secure you motel accommodations as quickly as possible. Local motels will be listed in this Newsletter.

There will be a dessert bar again this year and we would encourage all to bring your favorite sweets. Please bring items for diabetic consumptions.

On this last occasion I would like to provide a photo of our most unusual UHL finding. It is a double marked Evansville 10-gallon crock that we were able to procure from Vincennes, IN.

Larry And Nadine Snyder
President , UHL Collectors Society

From The Vice President's Desk

Wow, spring is in the air and we have certainly had our fair share of rain. The season has opened up full time with auctions and along with an abundance of yard sales. I always look forward to the opportunity to go find that next piece of Uhl pottery for my collection. Since, we are a little over a month away until the convention; I would like to challenge you to open up your mind and please let us know what you would like to see or possibly do different by writing down and submitting to our new suggestion crock that we will set up at the convention. As you can see from the past year, things are slowly changing such as the new homemade desert's that we made by you. It was very successful therefore, we are bringing it back. Also, there will be a slight change in the menu that you catch you. The board looks forward to another successful convention. I am looking forward to continuing to carry on the Uhl pottery tradition. On behalf of the board and the Uhl Society. We would like to give our many Thanks to Larry and Nadine Snyder for all their hard work that they have done over the years. We look forward to seeing you in June.

Vice President,
Nathan Posey

From The Press Secretaries Desk

This convention is just weeks away, and it is hard to believe that it has been 2 years since we started as your Press Secretary, it has been a great experience and would like to thank you for the opportunity. We have had a very busy spring with both boys now playing sports and I have been working out of town for the past few months. We may have still managed to find time to find a piece of pottery or two. One of which was frog advertising "Markwells" of Lexington KY., I found it in a box in an attic in the big Dubois county town of Duff where it had been buried for years. You never know what mysterious pieces will pop up or where they will be, hopefully you all are finding the missing pieces for your collections as well. We have 2 great items lined up to enter into this years auction, this is always our favorite part of the convention. From year to year the Auction line-up seems to get better and better with those hard-to-find pieces crossing the auction block and going into new collections. We are excited to see what you all are bringing!

See you in a few weeks,
Corey and Teri Bouchie

GIVEAWAY!!

Be sure to attend the Saturday morning Board Meeting where we will be giving away the special "Happy Uhling" piece and this beautiful display cabinet!

REMINDERS

****There will be 3 seats for the board of directors available at our Saturday meeting, Vice President, Press Secretary and a Board Member position will be voted on. If anyone has any nominations or interest let a current board member know at the Friday night convention so we can assist you.***

****Friday Night Auction Rules- each member is allowed to enter 2 UHL pottery pieces into the auction, the entry fee is \$10 per item. If your item(s) sells you will receive \$5 back per item. If you choose to buy your item(s) back you forfeit your \$10 entry fee. We also accept donated Uhl items to enter the auction with no fee, with the profits going to the scholarship fund.***
