## From Your President

Well, Ladies & Gentlemen, we did it! For those that attended our "Gathering" I hope you could see and appreciate the great lengths we went to, to assure a safe, enjoyable evening. I can't say enough about the way everyone worked together to ensure the safety of their fellow members by adhering to our requests throughout the evening Friday! Things that we did this year may be incorporated into next year's Gathering such as having the Schnitzelbank serve the food as you go through the lines. That was amazing on the amount of time it saved in the dining process! We and the Huntingburg Event Center would like to apologize for the Coke Dispenser Break Down! We will make sure it is fully functional next year! We will make sure there are bottled Coke products just in case! All of your Officers appreciate the thanks from all of you that we received for our work in getting this pulled off and the Commemoratives we had this year. It truly was a job! Thanks to all who attended and we look forward to enjoying seeing you and our missing friends next year!

Stay tuned and keep up to date through our Facebook Page & Website. We will keep everyone informed about all the plans and things for the Society through there along with the Newsletter.

A big Thank you to the 32% of our Membership who have now used the On-Line Membership store. It is so much easier to use than the old Paper Membership Application. If you haven't used it, be sure to try it this next year!

This upcoming year will be my last year as President. Vice President David Montgomery will be taking over for the following 2 years as President. At next year's annual business meeting, we will be looking for someone to step up to the plate and run for the Vice President position. The Society could not exist without members volunteering for these officer positions. Not only will we need to have a new Vice President, but Alicia Nash's term will be up also as Secretary Treasurer. We definitely need to find a qualified person to step up and take on her position. PLEASE let us know if you are interested in the job of helping the Society! The 3<sup>rd</sup> elected position will be a replacement Board Member as Les Bain's will be leaving the board. If you have the ability to serve in any of these capacity's Let one of us know. We would like to Thank Brian & Tamara Chanley who are our newest Board Members. They are replacing Corey & Teri Bouchie whose term ended this year.

We want to thank the Bouchies for taking over running the Gathering's Auction! They did a great job this year! We also want to let those know who were unable to attend, that we now have the ability to take Credit / Debit cards to pay for your Auction purchases!

There were a couple of By-Law / Constitution amendment's voted on and passed at this year's Business meeting. Please see a copy of the By-Laws / Constitution. (See Below Web Address)

Let's to do as planning for next year has already started. More later!

Regards,

Russ Uhls  
President
